**III. PLANS FOR INVESTIGATION OF MEMBERS, SUSPECTED
MEMBERS AND/OR PROPOSED MEMBERS OF THE
DE CAVALCANTE FAMILY**

The following plans for the investigation of the DE CAVALCANTE family in the New York, New Haven and Newark Offices are being set out below.

It is requested that the responsibility for coordinating the investigation be with the case agent handling the DE CAVALCANTE case.

Additional copies of this report are being disseminated to the New York and New Haven Offices for reference purposes for the agents handling the case investigations of the various members, suspected members and/or proposed members.

A. Set up a "family" album with the enclosed photographs taken at the Christmas and Easter parties. It is suggested the photographs be maintained in numerical order until after the unsubs are identified.

B. Where case files are not already open, open individual 92 files on each suspected member and/or proposed member set forth under Section II above, and conduct the following preliminary investigation of each individual:

a. Determine and/or verify residence and/or business interests

b. Conduct the following record checks:

1. Credit
2. Police - secure photo if available
3. Voters Registration
4. Birth and/or naturalization
5. Motor Vehicle - for driver's license and auto registrations
6. Any other appropriate record check, e.g. Dun and Bradstreet, marital, etc.
7. Submit FD-9 for Bureau Identification check.

DDD

COVER PAGE

NK 92-722
BJW/eag

C. Personally observe each subject, then review the "family" album in an attempt to identify the subject as having attended either the Christmas or Easter parties.

D. Secure a complete description of each subject, including the identities of the subject's personal family, where this information is available.

E. Secure a three months telephone toll check on the subject's residence telephone in an attempt to determine his contacts.

F. Contact local informants concerning the nature of subject's possible criminal activity and associates.

NO INFORMATION ORIGINATING FROM NK 2461-C* OR OTHER HIGHLY CONFIDENTIAL SOURCES SHOULD BE DISSEMINATED OUTSIDE THE BUREAU, NOR SHOULD ANY REFERENCE BE MADE TO DE CAVALCANTE OR THE DE CAVALCANTE "FAMILY".

As previously mentioned, it is believed the DE CAVALCANTE "family" will continue to have get-togethers as long as it feels the family is secure and free from law enforcement investigation.

G. Notify the Bureau and interested offices upon the identification of any unknown subject included in the Christmas or Easter parties. Refer to the photographs taken at the Christmas and Easter parties by the number assigned to the photographs.

The office of origin in each case should be the office within which area the individual under investigation resides.

It is suggested that after the initial investigation is conducted on each individual and he is found not to be identical to any unknown subject photographed at the Christmas or Easter parties of the DE CAVALCANTE family, that these cases be closed.

IV. PURPOSES OF INVESTIGATION

The primary purposes of the investigation of the DE CAVALCANTE "family" and DE CAVALCANTE at this time are:

1. To identify all members of this "family" and to determine the field of activity of each member.
2. To develop additional live informant coverage and additional highly confidential informants.
3. To develop cases for successful prosecution.

It is felt that NK 2461-C* continues to be a highly effective informant on DE CAVALCANTE and the La Cosa Nostra because no "heat" has been brought to bear on DE CAVALCANTE which would cause him to suspect the informant. Should he suspect informant, he would meet his associates in any number of available locations away from informant. In this regard, it is noted that DE CAVALCANTE's predecessor, NICHOLAS DELMORE, formerly met his associates in various bars in the Italian Section of Elizabeth, N.J., and various other places outside the Elizabeth area.

To date, live informant coverage has been developed on the employment of DE CAVALCANTE, and on the activities of the office of the Union County Laborers Welfare and Pension Fund, in which Local 394, Hod Carriers Union, Elizabeth, New Jersey, is a member.

Newark presently has PCI cases open on two members of Local 394, and has one other source on this local.

Attempts are being made to develop an Italian source who would be familiar with the activities of Local 394, and the personal relationships which exist amongst the leadership faction of the local.

NK 92-722

The following is a report on the meeting of the DE CAVALCANTE LCN family, held on Sunday, 4/3/66, at Ange and Min's Restaurant, 740 Boulevard, Kenilworth, NJ.

This affair is believed to have been the annual Easter Party of the DE CAVALCANTE LCN family since it was held on the anniversary Sunday of the 1965 Easter party (4/4/65 - first Sunday in April); at the same location; with the same pattern of parking; and, insofar as could be determined, with the same group of individuals.

Former NK 2461-C* identified the 1965 affair as an Easter party given by DE CAVALCANTE for members and proposed members of his LCN family. It is unknown if the proposed members have been officially taken into the DE CAVALCANTE "family."

The 1965 Easter party and the 1964 Christmas party (identified as such by NK 2461-C*, and held on 12/13/64 at Ange and Min's) were both covered by photographic surveillances, from which the DE CAVALCANTE LCN family photograph album was set up. The Bureau, New Haven, New York have sets of these photographs.

The 1966 Easter party was discovered through a spot check of Ange and Min's to determine if the affair would be held this year.

b6
b7C

The following pertinent observations were made by
SAS [redacted] and BERTIE J. WRISTON, JR.:

DE CAVALCANTE's car, a 1966 Cadillac sedan, color black, registered to the Kenworth Corp., 21 North Michigan Ave., Kenilworth, NJ, at 2:21 p.m. was observed parked in Kenworth's parking lot.

The following cars were parked around the corner from Ange and Min's, on the south side of Jefferson Avenue, near the corner of North 26th Street, facing North 26th Street in the following order:

b6
b7C

It is noted that upon leaving the Kenworth Corp., DE CAVALCANTE drove to the residence of his business associate and [redacted]

b6
b7C

Inasmuch as there was ample space in Ange and Min's parking lot for all of the above cars to have parked, it is obvious that the cars were parked in various places to avoid easy detection by law enforcement officials. The above pattern of parking is the same used at the 1964 Christmas and 1965 Easter parties. At the Christmas party, several pertinent cars were moved from the restaurant's parking lot to adjacent areas in the vicinity of the restaurant.

[redacted] did not attend the 1964 Christmas or 1965 Easter parties because he was in State Prison, Trenton, N. J., serving a two-year term for attempted bribery. He resides in [redacted] is [redacted] Local 294, Hod Carrier Union, Elizabeth, N. SUGGESTION FOR MANNER OF REPORTING

The nature of the above meeting should be reported on the administrative pages of a report on the various individuals in the following manner:

"On Sunday afternoon, 4/3/66, a meeting of the DE CAVALCANTE LCN family was discovered through a spot check of Ange and Min's Restaurant, 740 Boulevard, Kenilworth, N. J. In the opinion of the Newark Office, this meeting was the annual DE CAVALCANTE LCN Easter party for members and proposed members of his family, since it was held on the anniversary Sunday (first Sunday in April), at the same location, with the same pattern of parking, and, insofar as could be determined, with the same group of individuals as the 1965 Easter party. The 1965 Easter party was identified as such by former NK 2461-C*.

"The Agents conducting the surveillance were SAs [redacted] and BERTIE J. WRISTON, JR. "

b6
b7C

In the details, it is suggested pertinent information of the above affair be reported in one of the following ways, whichever applied to the individual on whom the report is being written:

"Subject's car was observed parked at Ange & Min's Restaurant, Kenilworth, N. J., on Sunday 4/3/66 during the same period SAMUEL DE CAVALCANTE, and several of his associates were known to be present at this restaurant."

" OR "

"Subject was observed leaving Ange & Min's Restaurant, Kenilworth, N. J. at (time). SAMUEL DE CAVALCANTE and several of known associates of DE CAVALCANTE were observed at the above restaurant at approximately the same time as subject left."

RECOMMENDATION

Three meetings of the DE CAVALCANTE LCN family have been covered by the Newark Office to date, two of which were as a direct result of information furnished by former NK 2461-C*.

NK 92-722
BJW/mpt

It is believed the 1965 Christmas party was held on the first Sunday of December, 1965, since DE CAVALCANTE's car was reportedly observed parked in the vicinity of Ange & Min's Restaurant on that date.

If this pattern of meetings continue, the next meeting will be held on the first or second Sunday of December, 1966 at Ange & Min's Restaurant in Kenilworth.

It is recommended that consideration be given now to the possibility of raiding the 1966 Christmas party or to taking some other direct action, either by the Bureau or a local or state law enforcement agency.

It is noted that the Newark Office is maintaining close relations with the Kenilworth PD and the NJSP, but neither agency has been informed of the Bureau being aware of above meetings. The relationship with these agencies in regards to the DE CAVALCANTE "family" is one of caution in view of the political corruption known to exist in the top levels of law enforcement in Union County and with the NJSP.
